

Datenblatt

The M35 mechanical meter counter provides users with a simple and cost-effective way to measure the length of materials as they pass through, such as hoses, belts, and cables.

Features at a glance

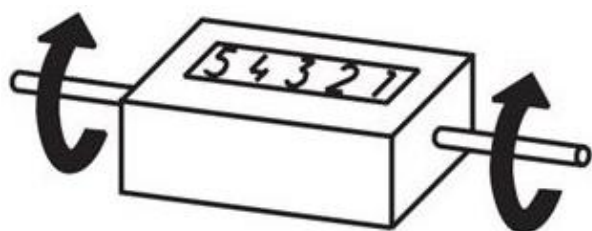

- M35 Counter
- Glass-fiber-reinforced plastic
- 5 digits (up to 2 decimal places)
- Right/left-counting
- Base plate (standard)
- Enhanced protection rating up to IP 53

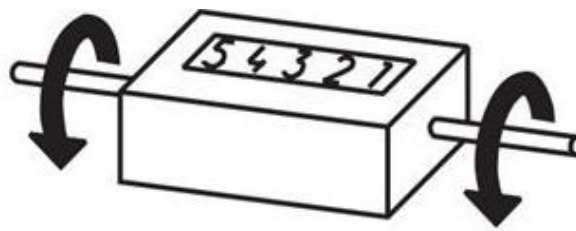

Mechanical characteristics

Dimensions	
Housing	62 x 45,5 x 29,7 mm (B/H/T)
Shaft	Ø 5 mm / 13 mm (L)
Material	
Housing	Glass-fiber-reinforced plastic
Shaft	Stainless steel
Digit height	4,5 mm
Speed	1,000 min
Transmission ratio	1:1, 5:1, 1:10
Weight	140 gr

Counting direction

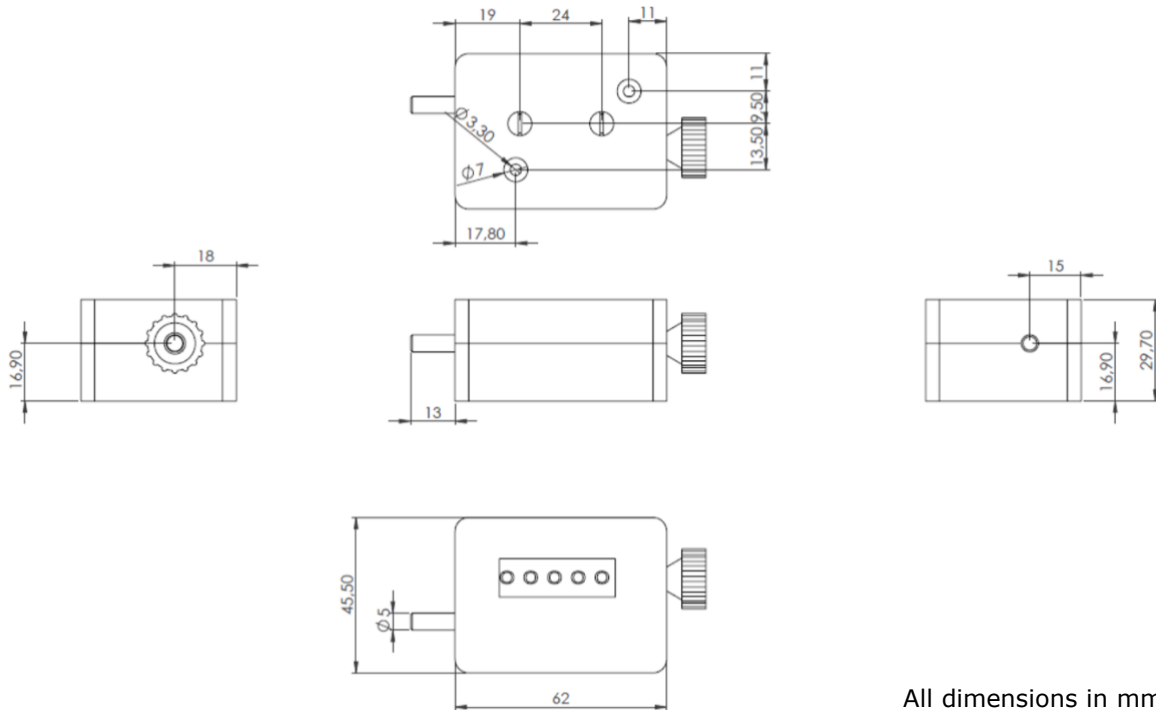

Away from the **viewer**
 Counting direction:
ascending from the right (R)
 clockwise

Toward the **viewer**
 Counting direction:
ascending from left (L)
 Counter clockwise

Datenblatt

Dimensions

All dimensions in mm

Order example

Type **MZ/M** - **35** - **000.20** - **R** - **0** - **XR**

Counter
35

Display value
000.20 = 5 digits (2 decimal places)
0000.2 = 5 digits (1 decimal places)

Counting direction
L = ascending from the left
R = ascending from the right

Description
0 = Standard

Measuring wheels
XR = without measuring wheel
